ARCHERY SAFETY RULES

(Read and sign.)

1. Only point the bow and arrow in a safe direction.
2. Only nock an arrow when it's safe to shoot.
3. Be sure of your target and what is in front of it, immediately behind it and beyond it.
4. Never shoot over a ridge.
5. Only shoot when you have a safe range or shooting area and a safe backstop or background.
6. Wear an arm guard and finger protection while shooting bows and arrows.
7. Avoid dry-firing a bow (releasing the bowstring without a nocked arrow). It may cause serious damage to the bow and can injure the archer.
8. Do not shoot an arrow straight up in the air as doing so is unsafe.
9. Keep your emotions under control and think about safety first.
10. Do not drink alcohol or take mood-altering drugs before, during or after shooting a bow.

Student's Signature.

CONGRATULATIONS! You have fulfilled all requirements for certification through Tennessee's Bowhunter Education Program. Remember that the future of hunting depends on hunters who are safe, knowledgeable, responsible and involved.

BOWHUNTER EDUCATION COORDINATOR

This card should be carried when hunting. It will qualify you as a certified bowhunter education course graduate both in Tennessee and in other states requiring such certification. The bowhunter education course is NOT a substitute for the hunter education course and should not be taken to satisfy the mandatory training requirement in Tennessee.
