***In Recognition of Your Achievement for
Meeting the Professional Standards ...***

To: All persons certified by a Pro Board® Accredited Agency

Congratulations! Your recent certification is an important personal achievement and a well-deserved recognition of the efforts that you have made toward advancing your professional capabilities.

Because your certificate was awarded by an agency accredited under the authority of the National Board on Fire Service Professional Qualifications, your achievement is especially significant. Accreditation is only granted to agencies and organizations that meet and maintain specific criteria intended to ensure the high quality and uniform standards in the certification process.

You are now entitled to be registered as a fire service professional and to obtain a Pro Board Certificate recognizing your accomplishment.

In order to be placed in the Certification Registry and to obtain your Pro Board Certificate, simply have the agency that certified you complete the Certifying Entity Confirmation section on the reverse side of this form, and you complete the Applicant Information section.

The fully completed form with credit card information, or check or money order payable to *NBFSPQ* (National Board on Fire Service Professional Qualifications) should be sent to:

**National Board on Fire Service Professional Qualifications
P.O. Box 690632
Quincy, MA 02269**

The fee for registration of each professional qualification level and corresponding Pro Board Certificate is \$17.50 (*USD*).

John K. Wilmoth
Madison County
17 Pine Dr.
Pinson, TN 38366
PSID:8575-9921

Dear John K. Wilmoth:

Thank you for participating in the recent Tennessee Commission on Fire Fighting Personnel Standards and Education certification exam.

This is an official notification of the results of your examination:

Examination Date: **1/28/2019**
Examination Level: **Hazardous Materials Operations**
NFPA Standard Tested: **HMO-NFPA 472-2013 Edition**
Pass/Fail Status: **Pass Grade: 72**

**A minimum score of seventy percent (70%) must be achieved to attain a Passing status. If you have challenged Aerial Apparatus Driver Operator (AADO), Pumper Driver Operator (PDO), or Fire Apparatus Operator (FAO), you must obtain a minimum score of 35 on the knowledge associated with each chapter of the NFPA 1002, 2014 edition. (AADO-NFPA 1002 Chapters 4&6; PDO-NFPA 1002 Chapters 4&5; FAO-NFPA 1002 Chapters 4,5,& 6) in order to earn Passing status.*

Certification Number: **TN: HMO8850**

If your result was passing, you are now eligible to proceed to the next step in the certification process. If your result was Fail, you must plan to retest in order to continue your certification process.

We would like to express our appreciation for your dedication in participating in this examination. If the Commission can be of any assistance to you at any time, please feel free to contact us.

Sincerely,

A handwritten signature in black ink that reads 'Randy Fox'.

Randy Fox
Executive Director

Joshua Henderson
Knoxville
7151-3469

Dear Joshua Henderson:

Your **Firefighter I Practical** completed on **1/14/2019** was reviewed by the Tennessee Commission on Fire Fighting Personnel Standards and Education to the standard set by **FFI-NFPA 1001- 2013 Edition**

It was determined by the Commission that your Practical receives a grade of **Pass**.

If your practical received a Pass, then you may submit an Application for Examination to challenge the written examination for this level of certification. If your practical received a Fail, then you must meet the waiting period rule requirement before retesting for this level.

If you should have any questions or at any time our office can be of any assistance to you please do not hesitate to give us a call.

Sincerely,

A handwritten signature in cursive script that reads 'Randy Fox'.

Randy Fox
Executive Director
